Re: United States v. Thomas Baker  
20 Cr. 288 (LJL)

Dear Judge Liman:

I am counsel for Defendant Thomas Baker. Mr. Baker is scheduled to be sentenced on October 29, 2021. I write to respectfully request that the sentencing in this matter be adjourned for thirty days and that the dates for sentencing submissions be adjusted to allow for supplemental materials to the submission previously filed on Mr. Baker's behalf. There have been no prior requests for adjournments and the Government consents to it.

I seek the adjournment at the express request of my client, who emailed me last night. Mr. Baker informed me that his being in lockdown for the past month resulted in his inability to complete and send me his own letter to the Court in connection with his sentencing. Further, although I have spoken with Mr. Baker's family members, I had not yet received letters from them prior to the time I was required to file my sentencing submission. Finally, Mr. Baker wishes to meet with me to discuss his upcoming sentencing.

I thank the Court for its consideration of this request.

Respectfully submitted,

Scott B. Tulman
